

http://kal:8888/reports/rwservlet?server=kal&report=test1.jsp&P\_JDBCPDS=sa/sa@hd

The screenshot shows a Microsoft Internet Explorer browser window. The title bar reads "Oracle Reports - Microsoft Internet Explorer". The menu bar includes "File", "Edit", "View", "Favorites", "Tools", and "Help". The address bar contains the URL "http://kal:8888/reports/rwservlet?server=kal&report=test1.jsp&P\_JDBCPDS=sa/sa@hd". The main content area features the Oracle Reports logo at the top, followed by a blue horizontal bar. Below this, a red "X" icon is next to the word "Error". The error message reads "REP-51002: Bind to Reports Server kal failed". At the bottom left of the page, it says "Copyright 2002, Oracle Corp.". The browser's status bar at the bottom shows the Internet Explorer icon and the word "Intern".

Oracle Reports

**Error**

REP-51002: Bind to Reports Server kal failed
